

**Order of the Eastern Star of New Jersey PROPOSED By-laws Change  
March 1, 2022**

*Current wording:*

**Chapter 16 Committees**

**Section 16.21. Voluntary Donations**

**16.21-(a)** This committee shall receive all voluntary donations and project funds, recording the amount received, from whom and for which project.

*Proposed wording:*

**NEW:**

**Chapter 16: Committees**

**Section 16.21. Voluntary Donations**

**16.21-(a)(1)** This committee shall assign a date to each District for a Grand Chapter fundraiser.

**REASONING/Interpretation:**

Because we are doing away with District Meetings, this would be a sociable time for each District, with the Top 3 and District Grand Officers, to raise voluntary monies.

Each District is already assigned a Voluntary Donation Chairperson, to coordinate this project.

This would take effect 2025-2026. Prior to this change, a committee shall look at the Law and Instruction books to be sure all have been corrected (regarding District Meetings).
