

Dear Family, Friends and Chapter Members:

Each year as the holiday season approaches, the home receives numerous calls asking for a list of gift suggestions for our residents. We realize not every Chapter has a member at the home, but we hope you choose to share the spirit of the holidays with one of our residents.

We hope that this letter will provide you with some ideas to bring cheer into the lives of our residents this holiday season. We have provided gift tags for your convenience for those who wish to send gifts. A list of our residents is also enclosed.

Please make checks payable to New Jersey Eastern Star Home. We ask that any gifts be sent to the home by December 13th in order to have adequate time to purchase the designated gift you choose. Please enclose the gift tag along with the check.

We thank you for your continued support and enthusiasm. We wish each one of you a joyous holiday season.

Sincerely yours,

Simone Rudich
